**VERSE: Lv02-02d**

**Verse Text:** *He [the offeror] brings it [the Minchah] to the priest; the priest fists from there a full fistful of its flour and oil besides [lit. on] all the frankincense*

Verse	Action	Flour and oil	Frankincense
Lv02-02	Priest fists	a full fistful from its flour & oil	besides the frankincense
Lv06-08	Priest raises	in his fist from its flour and oil	and all the frankincense

Table Lv02-02d: Comparison of phrases in verses about taking flour, oil, and frankincense.

**Rashi Rule:** Parallelism

**Rashi Comment:** As can be seen from the parallelism presented in Table Lv02-02d, the fistful of the Minchah includes only flour and oil; to that, (*on* that or *besides* that) all the frankincense is also taken. In other words, the fistful includes only oil and flour but not frankincense.
